I okay to add.

Bob had me do larvacide & weed spray at Stockton Sewer. When first OT time came available it was at Stockton Sewer. He chose others.
favoritism

07 After Bob thought he could trust Norm about affair Norm picked Janine up at 3:00 a.m. from Bobs to cold fog, then sat on Norms oral board promoting him for position.
scratch my back / conflict of interest

Kieth listened and watch Morgan berate me and harrass me. Morgan put me down saying I never got out of truck. He loved to slam his clip board on table as loud as he could to watch me jump & rattle my nerves. As sup. Keith should have stopped this. Keith also overheard Morgan make joke about me & Erma.
I brought this up during evaluation.
