RE: MEIDINGER, Donald
CI# 8885079
D/I: 6-10-88
Emp: San Joaquin Cnty
Abatement Distr.

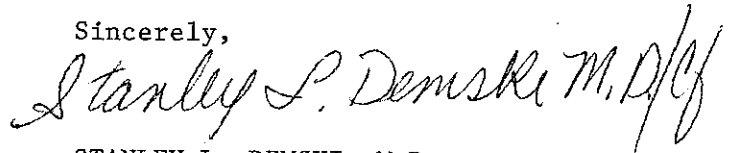

PROGRESS REPORT:

Dear Sir:

Mr. Meidinger has completed his physical therapy but is still persisting with pain in the medial aspect of his knee. He has had several locking episodes.

The patient will be scheduled for arthroscopic surgery and probable partial medial menisectomy.

Sincerely,

STANLEY L. DEMSKI, M.D.
