

COOPERATIVE AGREEMENT  
(PURSUANT TO SECTION 116180, HEALTH AND SAFETY CODE)

Date 11/21/00

This Agreement between the California Department of Health Services and

San Joaquin County MVCD, 7759 S. Airport Way, Stockton 1,  
(name and address of local vector control agency) 95206

is effective on January 1, 2001 or on the subsequent date shown above, and expires December 31, 2001. It is subject to renewal by mutual consent thereafter.

Part I. Pesticides

This part may be canceled for cause by either party by giving 30 days advance notice in writing, setting forth the reasons for the termination.

The vector control agency named herein agrees:

1. To calibrate all application equipment using acceptable techniques before using, and to maintain calibration records for review by the County Agricultural Commissioner.
2. To maintain for at least two years for review by the County Agricultural Commissioner a record of each pesticide application showing the target vector, the specific location treated, the size of the source, the formulations and amount of pesticide used, the method and equipment used, the type of habitat treated, the date of the application, and the name of the applicator(s).
3. To submit to the County Agricultural Commissioner each month a Pesticide Use Report, on Department of Pesticide Regulation form PR-ENF-060. The report shall include the manufacturer and product name, the EPA registration number from the label, the amount of each pesticide used, the number of applications of each pesticide, and the total number of applications, per county, per month.
4. To report to the County Agricultural Commissioner and the Department of Health Services, in a manner specified, any conspicuous or suspected adverse effects upon humans, domestic animals and other non-target organisms, or property from pesticide applications.
5. To require appropriate certification of its employees by the California Department of Health Services in order to verify their competence in using pesticides to control pest and vector organisms, and to maintain continuing education unit information for those employees participating in continuing education.
6. To be inspected by the County Agricultural Commissioner on a regular basis to ensure that local agency activities are in compliance with state laws and regulations relating to pesticide use.
