

## SAN JOAQUIN COUNTY RIGHT-TO-FARM-NOTICE

The County of San Joaquin recognizes and supports the right to farm agricultural lands in a manner consistent with accepted customs, practices, and standards. Residents of property on or near agricultural land should be prepared to accept the inconveniences or discomforts associated with agricultural operations or activities, including but not limited to noise, odors, insects, fumes, dust, the operation of machinery of any kind during any twenty-four (24) hour period (including aircraft), the application by spraying or otherwise of chemical fertilizers, soil amendments, seeds, herbicides, and pesticides, the storage of livestock feed and other agricultural commodities and the storage, application and disposal of manure. San Joaquin County has determined that inconveniences or discomforts associated with such agricultural operations or activities shall not be considered to be a nuisance. San Joaquin County has established a grievance committee to assist in the resolution of any disputes which might arise between residents of this County regarding agricultural operations or activities.
