Dear Ms. Anderson:

Thank you for your letter regarding the San Joaquin County Mosquito and Vector Control District.

You have requested assistance from my office. I want to be helpful as possible to you. However, the problem you have outlined appears to be one that can only be resolved by your local or state government. I recommend you get in touch with the office of your County Supervisor, Council Member, or Governor Brown to discuss your case.

I appreciate your coming to me, and wish I could be of more assistance. If there is any way in the future I can help on problems with the federal government, I hope you will not hesitate to write to one of my offices.

Sincerely,

Dianne Feinstein
United States Senator
