**NOTICE REGARDING PERMANENT DISABILITY BENEFITS**

Acclamation Insurance Management Services, Inc. is handling your workers' compensation claim on behalf of San Joaquin County Mosquito Vector Control District. This notice is to advise you of the status of permanent disability payments for your workers' compensation injury of 06/19/2008.

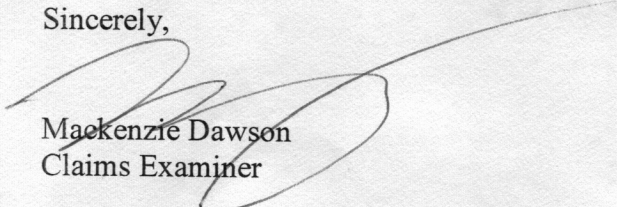

It is too soon to tell if you will have any permanent disability from your injury. I will be checking with your doctor until your condition is permanent and stationary. At that time, your doctor will determine whether or not you have any permanent disability and/or need for further medical care. I expect to have this information by 07/21/2009 and I will notify you of the status of permanent disability at that time.

If you disagree with this decision and if you are represented by an attorney, please call your attorney. Otherwise, if you have questions, please call me at 916-563-1900.

An Application for Adjudication must be filed with the Workers' Compensation Appeals Board within one year of the date of injury if no benefits, compensation or medical treatment has been furnished. If you have been furnished benefits, compensation or medical treatment, an Application for Adjudication must be filed within one year after the date of the last payment or provision of benefits or within five years from the date of injury, whichever is later. Failure to meet these requirements could bar your rights to further compensation by operation of law.

The State of California requires this notice to include the following language: *If you want further information, you may contact the local state Information and Assistance Office by calling 1-209-948-7650 or you may receive recorded information by calling 1-800-736-7401. You may also consult an attorney of your choice. Should you decide to be represented by an attorney, you may or may not receive a larger award, but, unless you are determined to be ineligible for an award, the attorney's fee will be deducted from any award you might receive for disability benefits. The decision to be represented by an attorney is yours to make, but it is voluntary and may not be necessary for you to receive your benefits. With or without an attorney, you may ask to have your case heard by the Workers' Compensation Appeals Board.*

Sincerely,
