RE: Anderson, Tiffany vs. San Joaquin County Mosquito & Vector Control
Claim No.: VE0700184

Message:

Mr. Stein,

Per our conversation on 1/18/11, you agreed that your attorney's fees of \$621.00 would be added to the overall credit sought against future indemnity benefits on this claim, thus the total credit is \$1,673.42. This applies to both claims (6/19/08 master file and the 3/26/09).

I added the language as we discussed to the Award. Thank you for your courtesy regarding this issue. If you have not received a copy of the Award approved 1/18/11, please let me know and we will send an additional copy.

Sincerely,

Hilary A. McLaughlin
