Dear Tiffany,

This is in response to your letter of January 29, 2014. Unfortunately, the District still does not have any open position in which it can place you.

You also inquired about positions which may become available. Based on your permanent restrictions, I am not aware of any positions becoming available for which you could qualify and perform the essential functions.

I am assuming your disability retirement application is still pending. Please let me know if the situation is otherwise.

Best regards,

Eddie Lucchesi
