Dear Mr. Helphrey:

Pursuant to Labor Code §4061 and §4062, applicant hereby objects to the medical determinations of the treating doctor, including but not limited to the following: (1) temporary disability periods, (2) the applicant's status as a qualified injured worker, (3) the applicant's ability to perform modified work, (4) the treating doctor's medical treatment plan, (5) the permanent and stationary date, if any, (6) the treating doctor's assessment of applicant's factors of disability and (7) the treating doctor's assessment of applicant's need for future/further medical care.

In order to expedite the settlement in the above captioned matter, might I suggest we agree on an agreed medical evaluation ("AME").

The following are orthopedic specialists that I would suggest:

Peter Mandell, M.D.
1663 Rollins Road
Burlingame, CA 94010
650-692-2663

Mohinder Nijjar, M.D.
P.O. Box 2549
San Rafael, CA 94912
800-245-7899

It will be very important that this office obtain a copy of the job description so that the job description may be forwarded to the AME doctor. Further, this office would expect that you would have all of the medical records, diagnostic tests (x-rays, MRIs, etc.) sent to the agreed medical examiner for his or her review.

Demand is hereby made for an itemization of all benefits paid as outlined in the Title 8 CCR §10100.1(Z)(1)(2) and copies of each benefit notice and any enclosures and any enclosures not previously served on this office pursuant to Title 8 CCR §9810(F). Also, consider this a demand for subrosa film either exculpatory or accusatory that you have on my client.
