Dr. Jasti,

I am completely satisfied with the mail order pharmacy. This is a good choice for me. Thank you. I must have an incorrect # for the nose spray. I am completely out and allergy season is in full force. I am finally a believer of the nose spray and have been using it daily. I have been out for a week and am desperate. Could you please prescribe me two bottles. Go ahead and send those to the stockton pharmacy as I need them asap. Much appreciated.
Thanks
Tiffany

Message Body DR. Jasti,

I have one old bottle of nasarel and am taking it daily. I saw I can now buy my Allegra D over the counter without a script. That is good news. I ordered all scripts for next month hopefully I can get them on the same monthly cycle. The nose spray I am having sent in the mail as well, that pharmacy has turned into a zoo.

Have a nice day.

Tiffany

Dr. Jasti,

Can you please order me another prescription of the nose spray. I am having a terrible allergy reaction. I had the prescription mailed due to the fact I had a bottle nasal left over and I thought it would do until the other one came. The pharmacy mailed it on the 10th and it still isn't here. Since this medication is not a monitored medication I was hoping this wouldn't be a problem. The nasal does not work like the floconase and I am almost out. I am not sure if it got lost in the mail, but I am getting a sinus infection and need relief.

See what you can do.
Thanks
Tiffany
