Jake,

I am so busy. I am sorry I don't write often. I am trying so hard to be strong and go to work everyday. I am doing quite well, but my loved ones are on the back burner. I will try to write when I have more time. I have a work comp appointment today, yes on a Saturday at 5. I have about 15 pages of medical history I need to finish filling out so I have to go. I love you both. Try to talk your mom into going to Larry Frasier's BBQ retirement party. I promise to keep in touch.

Love Tiff

The correct one is [dan-thompson@att.net](mailto:dan-thompson@att.net) and the address didn't come with the email. Sorry this email is late because mom and I have been very busy with school and her classes. Hope you are well and love to hear from you

Love Jake and Vicki
