Ms. Anderson,
Your April 4, 2014 letter addressed to Manager Eddie Lucchesi in requesting records came to US EPA by mistake, the records you are seeking can be found at the Dept of Labor under the Occupational Safety and Health Administration or the San Joaquin County Mosquito & Victor Control District. OSHA can be contacted on 1-800-321-6742 or website www.OSHA.gov.

Mailing Address: US Department of Labor
Occupational Safety and Health Administration
200 Constitution Avenue
Washington, DC 20210

Since US EPA has no records, we ask that you reply back to this email requesting us to withdraw your request.

Thank you for your attention to this matter.

I had my own version of my letter started in my head. It isn't a mistake lame ass. I have contacted everyone in the hopes that someone will get off their ass and do their job.

*Not accidental (both medical and employee)
I need my records and by copying your office I am trying to get your help in this. Please influence my former employer to comply with the law.*
