Regarding: Tiffany Anderson v. San Joaquin County Mosquito and  
Vector Control District, ADJ7004221

Dear Judge McGill:

I am writing you today to request a reset of the Status Conference that is currently set for June 3<sup>rd</sup>. I received my copy of the notice just today. I have a pre-existing commitment on that day that I cannot change. I have communicated today with Kyle Hansen, the attorney on the other side and he does not oppose a reset of this hearing. He is unavailable on June 10<sup>th</sup>. He is available on the afternoon of June 17<sup>th</sup>, but unavailable again on June 24<sup>th</sup>. The afternoon of June 17<sup>th</sup> would be fine with me.

Thank you.

Sincerely,

Tiffany Anderson
