Regarding: Tiffany Anderson v. San Joaquin County Mosquito and
Vector Control District, ADJ7004221

Dear Judge McGill:

I am writing you today to request a reset of the Status Conference that is currently set for June 3rd. I received my copy of the notice just today. I have a pre-existing commitment on that day that I cannot change. I have communicated today with Kyle Hansen, the attorney on the other side and he does not oppose a reset of this hearing. He is unavailable on June 10th. He is available on the afternoon of June 17th, but unavailable again on June 24th. The afternoon of June 17th would be fine with me.

Thank you.

Sincerely,

Tiffany Anderson
