RE: Mary Jean Parvin, DOB 3/16/43

Dear Dr. Freund,

I represent Mary Jean Parvin concerning her estate planning, and I am assisting Tiffany Anderson, whom Ms. Parvin named as her agent under a Durable Power of Attorney for Financial Management and Advance Health Care Directive and Successor Trustee under her Trust.

We are requesting that you see Ms. Parvin and make a determination whether or not she is competent to handle her financial matters and make estate planning decisions. The Bank of Stockton, where Ms. Parvin has her trust account, is requesting this information.

Thank you for your attention to this. Please communicate your opinion to me or Ms. Anderson in writing. Call me if you have any questions.

Very truly yours,

Gregory P. Goehring
