Regarding: Demand letter

Dear Eddie:

Thank you for your letter of May 15, 2014. My retirement benefits have been hard-earned and were obtained solely by my own efforts.

I expect you to share this letter with your entire Board of Trustees. This is my attempt to settle any and all of my pending claims against the District.

In full and final settlement, I hereby demand \$1,250,000.00 tax-free dollars, plus full lifetime medical coverage. The monetary figure would be designated as pain and suffering so as to avoid taxation.

The District is hereby given a deadline to accept or make a counteroffer of 10 A.M., Tuesday, June 17, 2014. Failure to reply or make a counter-offer will be brought up to the WCAB judge who I will be seeing that afternoon. I will also let the judge know that all settlement attempts have come solely from my side.

The District has wronged me by causing me both physical and exposure harm. To right these wrongs our modern society attaches monetary amounts. This is my attempt to finally be made whole.

Sincerely,

Tiffany Anderson
