RE: Injured Worker: Tiffany Anderson  
Date of Injury: 06/19/2008  
Claim Number: VE0700184  
Employer: San Joaquin County Mosquito Vector Control District

Dear Ms. Anderson:

I am the new claims examiner assigned to the handling of your workers compensation cases. It has come to my attention that you are serving documents via email to the Information and Assistance office and requesting that they be provided to the WCJ. Please note that we object to any and all documents not properly served via regular mail with proof of service showing service on all parties on the official address record.

AIMS does not accept service via email. You must properly serve all documents via regular mail on this office at the PO BOX listed above. Service to Stockwell, Harris et al does not excuse proper service on this office. If you have any questions, please contact me. This is a continuing objection and any documents that are provided to the court without proper service will be argued inadmissible.

Sincerely,

Nancy Urton  
Sr. Claims Examiner  
(916) 563-1900 ext 242
