6-1/5

Permission

Brian gave us permission to weed spray free will out of our trucks. Ditches + ditches. without driver or supervisor

Instructed to be in yard by 3 every day for download of archer.

~~Supervisor's job~~
Right Knee hurt beginning of week. Now left knee hurts.
Daily headaches.

Negligence

Supervisor's job
I must make all contacts and enforce 72 hr rule.
Does not want to be bothered with little problems like Martin 75 acres hasn't been treated since my 1st injury. mosquito build up bad access alder eggs - Culex L P A.

After meeting on 6-4 told Brian not enough time in my zone. Brian said nobody has enough time. *
