PO [redacted] in trouble
The day I got in trouble
for spending 4 hours on 80 ACRES
During my meeting with Brian
Comments:
I can't believe there are other
technicians that know your zone
better than you do.

We have told you! Keith, Bob
And I have all told you.

I never said you can't use
pellets.

I asked for a current up to
date map book.

Key to Irrigation Canal

found out 7-1-09 by SSJD
that Brian had gotten key for
Mike. Got my own key on 7-1-09.

Brian told me he would
meet me at the dairy to
see what I did. No date
he has not come out to
meet me.

Zone WORK

120 Road Sides

Lonetree checked Martin
Property. He moved cattle
on ground. Problem may
be solved.

Here is an example of
^{inconsistency}
~~Thursday~~ 5-28

~~all~~ totals 400 ACRES. I
inspected this property it's
a huge piece of land with
questionable access. I did
a thorough inspection. This
property sits right next to
rice being flown. Brian
was gone so I presented
what I found to Scott. Scott
mentioned flying it, but Eddie
was not there. Scott said tell
Eddie. Brian was back so
I told Brian. Brian said go
back and reinspect. I already
had spent a lot of time so
I could communicate what
