June Monday 22

Norm informs me he did  
5K on Cometa & Due not Aedes  
right next to Marion, Texas on Friday

### Others in my zone ↑

Today SR on Enterprise & Lesser  
Sup. meeting at 8:30 a.m.

cbs. employee performance  
Told Brian 635 my need to inform him  
he said he had a meeting at 8:30.

I needed his permission to use 0.1  
after being told to use VE by him, 2 days ago  
Waited ... As he didn't have time for me.

Left map of problem on Sit. ff on  
desk labeled chemical and left  
Brian calls me back 15 min. after  
leaving yard and tells me to come  
back so Sit. ff can go over  
archer.

120 S/W on Costa Orchard flooded.  
Lemon Fulkender completely flooded  
1st Master & Petrucci. Archer messed  
up. Went to inspect & treat  
remaining source at Caneras.  
The man was pumping the water  
from the 003 to the GII on River
