Kyle,

Pam and I have agreed on the date of 7-12-2012 @ 10:00 am. Does that work for you?

Chris,

I would like you to clarify your request to attend the conference scheduled to discuss my medical claim. In writing please disclose your intentions. If you have an offer on behalf of the district I am open to consideration. Will the firm that was outsourced to handle my case desire to be present as well?

Have a great day to you all,

Tiffany Anderson
