Subpoena to appear as a witness on 07/08/2014

I am unable to comply with your request for the appearance in court on 07/08/2014. I would like to request release from the order due to medical emergency with my concern to my mother; we are currently in San Francisco at UCSF preparing for a double lung transplant surgery. Please call (209)-625-8587 and leave a message as to the possibility of a phone deposition or other options.

Sincerely,

Tiffany Kay Ebel Anderson
