Re: Summary of Hearing on Monday July 6, 2015

Dear Sarah,

In the interest of moving forward, I would like to summarize the issues we discussed at our last WCAB hearing. My understanding is:

1. In the interest of finalizing a settlement, Defendants (SJCM&VCD) agree to accept plaintiff's worker's compensation exposure claims. Dates of injury include 6/9/04, 1/21/05, 10/1/05, 6/19/08, as well as cumulative effects of the exposures.
2. In the interest of finalizing a settlement, Defendants (SJCM&VCD) agree to accept plaintiff's worker's compensation knee injury claims. Dates of injury are 6/19/08, 3/26/09, 7/2/09, and 6/29/11.
3. In the interest of finalizing a settlement, Plaintiff agrees to bring forth a settlement offer for each of the injuries listed above.
4. Plaintiffs, Defendants, and other interested parties listed below agree to return to the WCAB for a settlement conference scheduled on July 22, 2015, in order to hear the items above. Parties expected to be present are:
 - a. Sarah Skolnik, Stockwell Harris Woolverton & Muehl
 - b. Mike Christian, Jackson Lewis
 - c. Sheree Langenes, I&A Officer, WCAB
 - d. Tiffany Anderson, Plaintiff, In Pro Per
 - e. Chris Eley

5. In the interest of ending all claims in civil matters the Plaintiff agrees to bring forth a settlement offer.

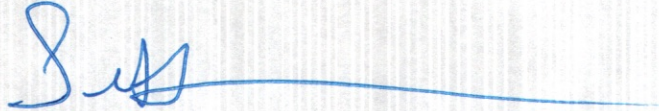

Please confirm the information above is correct, or send me any corrections by 6 p.m. on Thursday, July 16, 2015. If corrections are requested, please send a copy of the clarification to all interested parties listed above.

Should no response be received by the date and time above, I will accept this as confirmation that the above information is correct, and will rely upon it to prepare for the settlement conference referenced above.

The Plaintiff would prefer the Defendants submit their own proposal prior to this date as I have provided an overwhelming amount of options to settle.

Thank you again for your continued partnership in this matter.

Sincerely,
