 Subject: tests

I do not mind other tests. In fact I appreciate. The iron problem stems from my last period which ended on Sun 15. I have severe bleeding. Tried getting in to gyno but had to cancel appointment because I started the day of the pap. after busy season at work. I again will go in and take care of this issue. THANK YOU. I will stop by today after 4:30. that is when I get off work.
