Message Body

Hi,
I have ordered few tests, your blood count and iron levels are fine, no indication of anemia.
Your liver, Thyroid, and kidneys are fine.
West nile virus test is still pending. I will let you know once the results are back.
Dr.Jasti

Dear Dr in plain english could you explain to me the results of the tests? When I looked at the test order there was only three tests ordered but now there are results for four? I do not understand. Thank you Tiffany. By the way my first appointment for the pain clinic is on Thursday July 26th.
