Mackenzie,

I am writing you to inform you that my injury which occurred on Wednesday June 29th , 2011 is in need of medical attention.

I am requesting a claim number so I can submit my QME request. This is a new claim.

Dr. Murata has requested an MRI and if we do not have an authorization I will seek more extreme measures like going to the ER for treatment and a diagnosis.

I have had a virus since the day Dr. Eck released me from his care. I had to go to my physician to get antibiotics. I lost four days of work due do to this virus. My knee is in pain at high levels throughout the day.

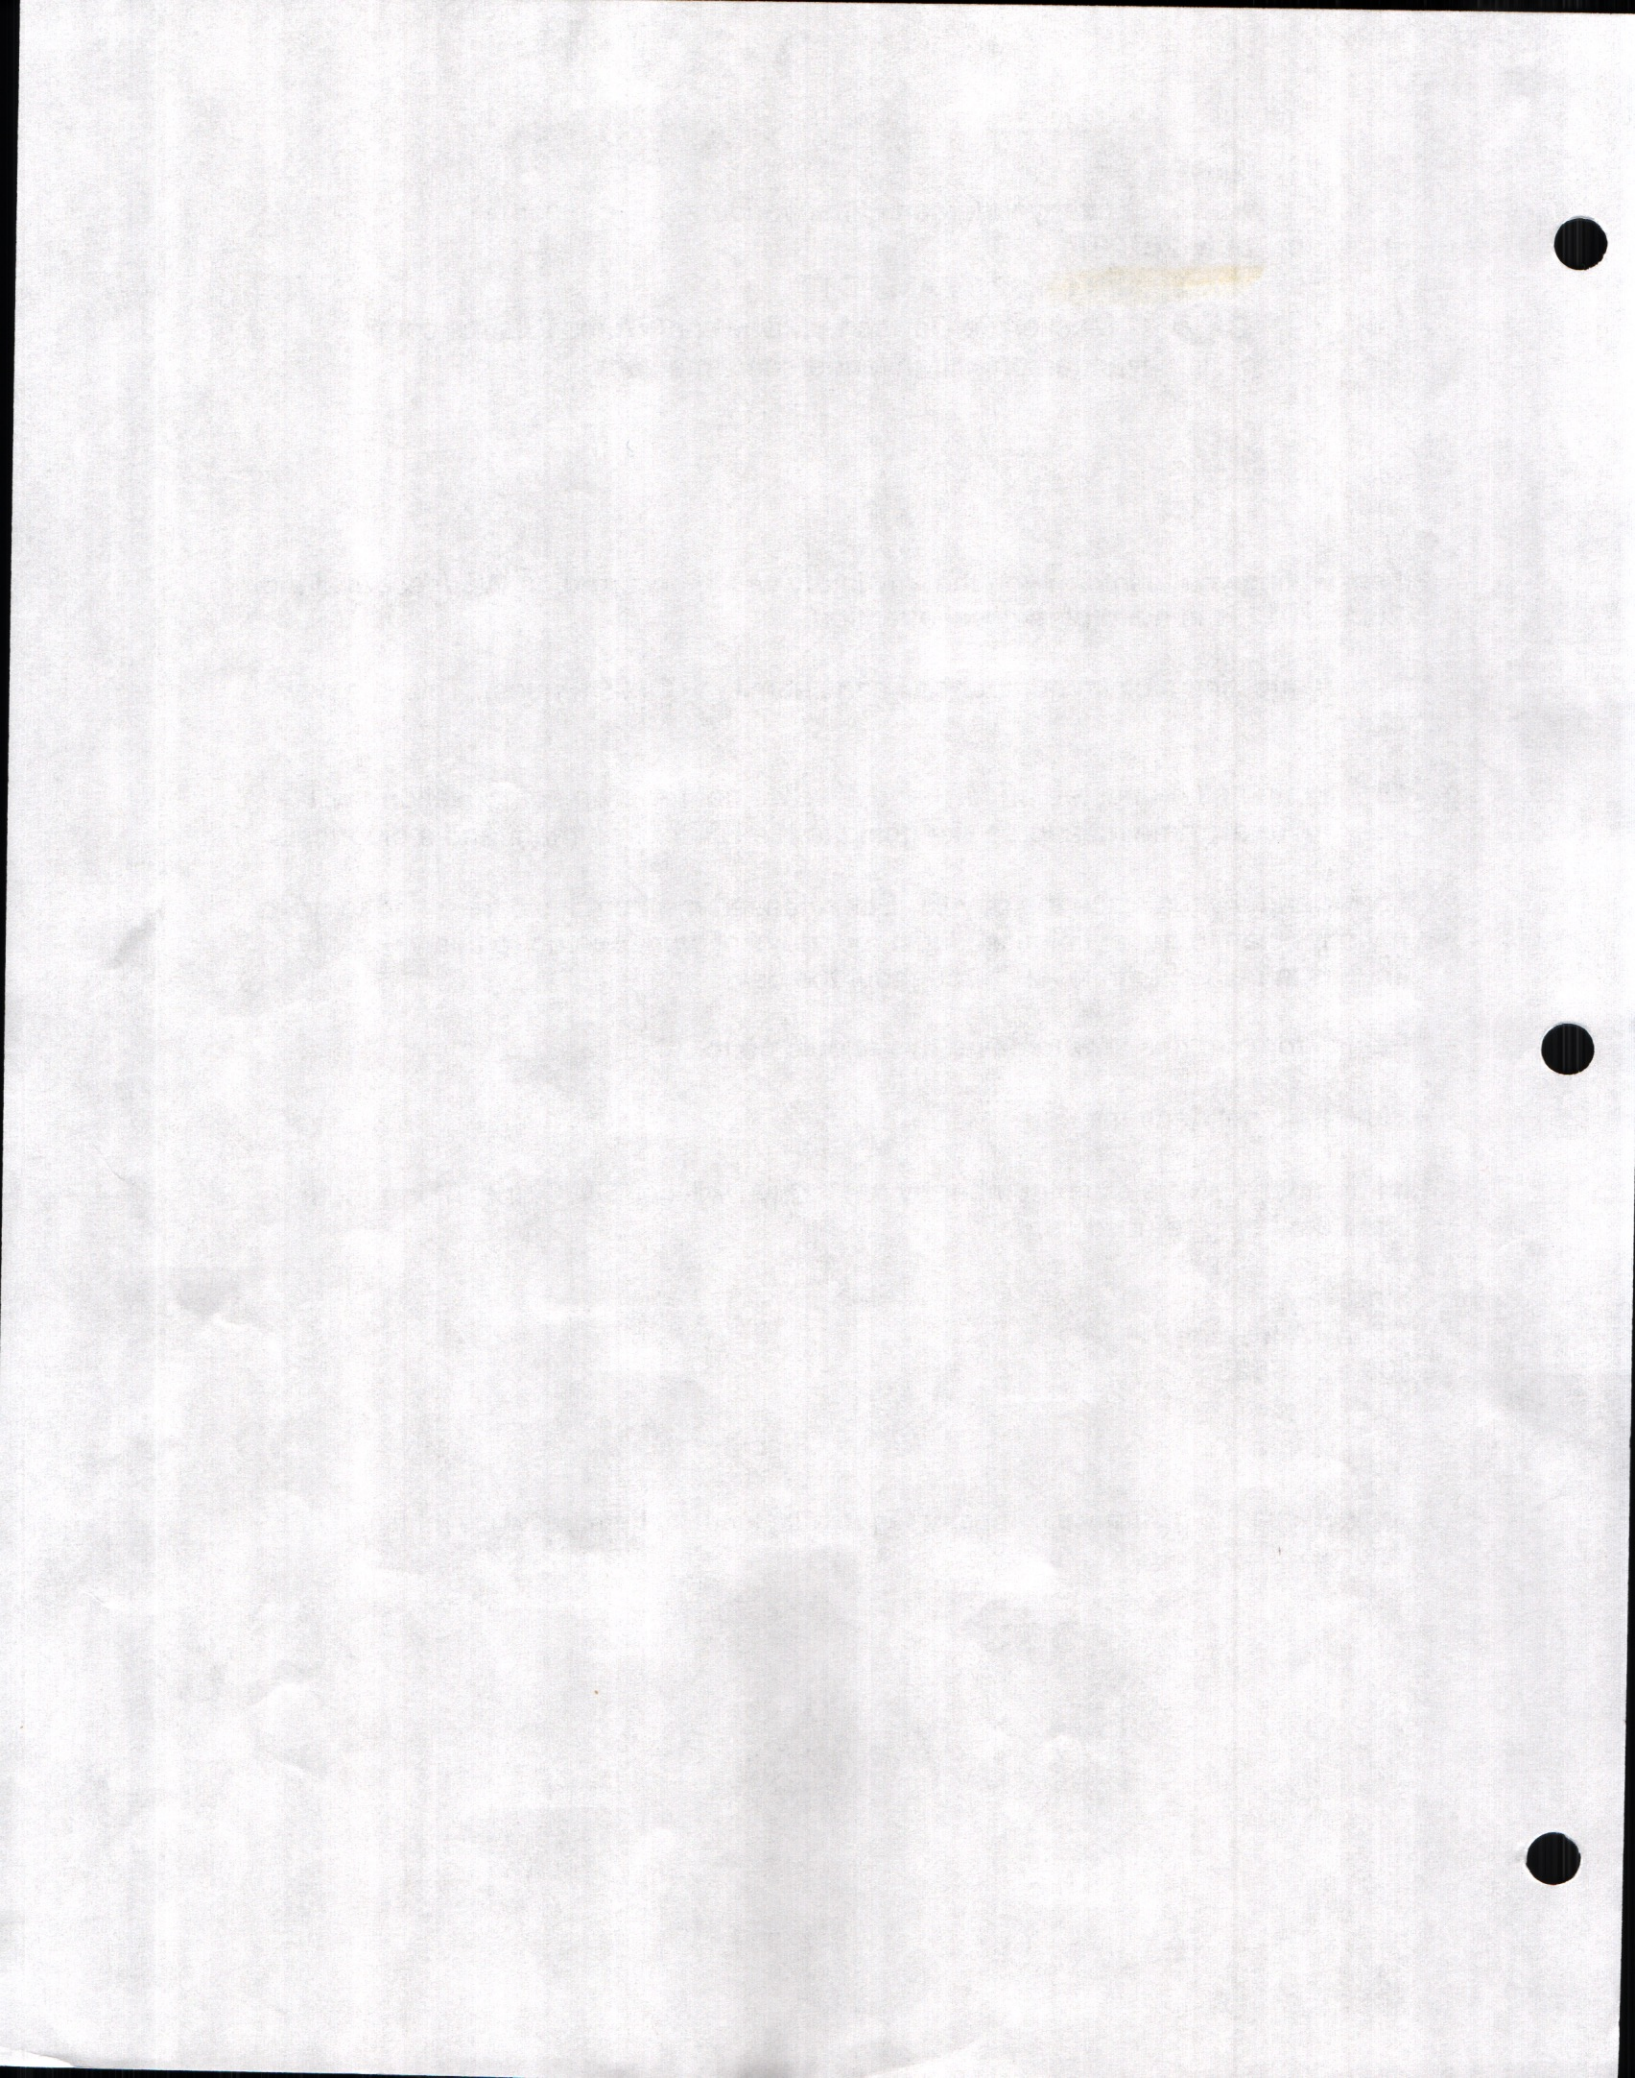

Please forward this to whomever this should go to.

Please do not deny me care.

If I do not receive a claim number by am today I will call DWC and inform them that I am being refused care.

Sincerely,
Tiffany Anderson
