Dr. Jasti  
I went to the referral you sent me to. Dr. Fernandez says I have Mio fac  
the surface.

She was going to prescribe vicodin but saw in my file I'm already on it.  
called flexeril that does nothing for me at all.

I have two appointments coming up for one kind of therapy. And anoth  
appointment with my chiropractor tomorrow to get an xray of my should  
wondering why you reduced the vicodin from 75 to 50? And do I need t  
follow my charts on the computer? Tiffany
