Dear Tiffany:

Approximately two months have past since you were last in for physical therapy. I hope you are doing well.

I wanted to follow up with you and make sure that your symptoms are under control and that you are where you want to be at this time. If you are having any difficulties, or if you feel you need a "tune-up", please call for an appointment and we will address any needs that you may have.

If you are doing well, please call and let us know so that we may close your file. I look forward to hearing from you.

Sincerely,
