Hi,  
I will not be in the office until Tuesday.  
No problem in giving the note if you can wait until Tuesday. Let me know.  
If can't wait please call 476-2080 to make an apt with urgent care doctor.

Dr Jasti Wednesday 8-19-07 I stayed home from work. I had a severe headache. Vomiting and diarrhoea with a fever. Not great working conditions. Thursday 8-20-07 I went to work and tried to tough out the day. At 10:30 a.m. my boss sent me home sick. Today is Friday 8-31-07. My symptoms are less severe but I still feel weak. I was wondering if you can give me a Dr. excuse. We have a three day rule at work. I really think it is ridiculous to go to the Dr. with symptoms that have no solutions for. Except for plenty of liquids IB profin and rest. I'll Wait to hear from you. If need be I'll come in this weekend. Thank you Tiffany
