Regarding: Freedom of Information Act Request related to San Joaquin  
County Mosquito & Vector Control District

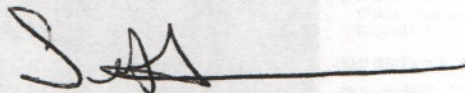

Dear Director Cohen and Department of Finance:

I have looked thorough on the ebudget website and could not locate the information that I need. Pursuant to the Freedom of Information Act, I am hereby requesting the following information:

1. Specific yearly funding amounts given by the state of California to the San Joaquin County Mosquito & Vector Control District for the years 2004 to 2014, including any federal funding passing through the state for "Additional Emergency Funding to Fight West Nile Virus";
2. These amounts broken down by each year into their earmarked categories as to how the monies were to be spent.

I'm enclosing an old online news story for your reference. I look forward to receiving these documents within 30 days. Thank you.

Sincerely,

Tiffany Anderson
