## STEPS TO APPEAL YOUR DISCHARGE

- o **STEP 1:** You must contact HSAG no later than your planned discharge date and before you leave the hospital. If you do this, you will not have to pay for the services you receive during the appeal (except for charges like copays and deductibles).
  - o Here is the contact information for HSAG:  
\_\_\_\_\_ **HSAG** \_\_\_\_\_  
\_\_\_\_\_ **1-800-841-1602** \_\_\_\_\_
  - o You can file a request for an appeal any day of the week. **Once you speak to someone or leave a message, your appeal has begun.**
  - o Ask the hospital if you need help contacting HSAG.
  - o The name of this hospital is Lodi Memorial Hospital - 050336\_\_.
- o **STEP 2:** You will receive a detailed notice from the hospital or your Medicare Advantage or other Medicare managed care plan (if you belong to one) that explains the reasons they think you are ready to be discharged.
- o **STEP 3:** HSAG will ask for your opinion. You or your representative need to be available to speak with HSAG, if requested. You or your representative may give HSAG a written statement, but you are not required to do so.
- o **STEP 4:** HSAG will review your medical records and other important information about your case.
- o **STEP 5:** HSAG will notify you of its decision within 1 day after it receives all necessary information.
  - o If HSAG finds that you are not ready to be discharged, Medicare will continue to cover your hospital services.
  - o If HSAG finds you are ready to be discharged, Medicare will continue to cover your services until noon of the day after HSAG notifies you of its decision.

  - o If you have Original Medicare: Call HSAG listed above.
  - o If you belong to a Medicare Advantage Plan or other Medicare managed care plan: Call your plan.
- o If you stay in the hospital, the hospital may charge you for any services you receive after your planned discharge date.
