Dear Tiffany Anderson:

This letter is in response to your request for information dated September 13, 2011 (copy enclosed) related to your workers compensation claim dated June 29, 2011. Per your request, please find enclosed copies of the following documents:

1. Copy of the Supervisor's Accident Report for the 6/29/2011 incident at Van Vleit Dairy, Escalon.
2. Copy of the Employee Performance Review dated 8/19/2011 (you received a copy of this document on 8/19/2011).

Regarding your request to know if I will honor salary continuation benefits per Policy 2900.17 for the June 29, 2011 incident, the District and AIMS (the District's workers compensation claims administrator) have determined that your current absence appears to be partially due to ongoing issues related to your workers compensation claim of June 2008 (Claim # VE0700184). For that claim you received salary continuation benefits per Policy 2900.17. AIMS continues to administer that claim and may provide temporary disability payments for your absence of August 17, 2011 to date.

Do not hesitate to contact me at (209) 982-4675 if you have any questions or need additional information.

Sincerely,

John R. Stroh
Manager

COPY

John,

I am writing to you in request of three items I would like an immediate response to.

[if !supportLists-->1) <!--[endif-->I am requesting a copy of the incident report Brian wrote while I communicated the incident regarding my knee injury that occurred on June 28, 2011.

[if !supportLists-->2) <!--[endif-->The next request I am requiring is a copy of my evaluation written by Brian that was given to me and signed in August 2011

[if !supportLists-->3) <!--[endif-->The last item I am inquiring about is the most important. I need to know if you are going to honor the 2900.170 Salary Continuation for Qualified Workers Compensation Claim.

My next scheduled appointment is on Tuesday October 11th I will forward the corresponding results of that appointment. In the mean time if you can accommodate Dr. Murata's restrictions I will be happy to return to work.

Sincerely,

Tiffany Anderson
