Dear Stephanie Ebel,

Thank you for contacting us to schedule your upcoming PETCT LIMITED WHOLE BODY VERTEX TO MID THIGH. Your appointment is scheduled for Tuesday, September 30, 2014, 11:30 AM. Please plan to arrive at least thirty minutes prior to your appointment time in order to complete necessary preparation for your particular scan or procedure.

The UCSF Imaging Center at China Basin is located at:  
185 Berry Street, Lobby 6, Suite 190, San Francisco, CA 94107

Prior to your appointment, please visit us online at: [www.radiology.ucsf.edu/cb](http://www.radiology.ucsf.edu/cb)  
There you can view our clinic's video introduction and virtual tour.

Our facility offers free parking in the underground China Basin parking garage. The garage can be accessed off of 3rd Street immediately following Berry Street. In addition, the Imaging Center is easily accessible by public transportation including Caltrain and the Muni rail lines. For detailed directions, please visit: [pathway.ucsfmedicalcenter.org](http://pathway.ucsfmedicalcenter.org)

If you are scheduled for a PET/CT scan, please remember to fast 6 hours before your exam.

If there are any additional preparations required prior to your procedure, they will be noted in another letter. If you need to reschedule your appointment, please contact Radiology Central Scheduling at 415-353-2573.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Scott'.
