**NOTICE REGARDING
DENIAL OF WORKERS COMPENSATION BENEFIT**

Dear Anderson:

Acclamation Insurance Management Services, (AIMS) is handling your workers' compensation claim on behalf of San Joaquin County MVCD. This notice is to advise you of the status of disability benefits for your workers' compensation injury on the date shown above.

After careful consideration of all available information, we are denying liability for your claim of injury. Workers' compensation benefits are being denied based on lack of medical and factual evidence to support an industrial injury of contamination. Moreover you have indicated to me that you are not going to pursue an injury, thus you have failed to cooperate with our investigation.
