BY MAIL

I caused such envelope to be deposited in the mail with postage thereon fully prepaid. I am readily familiar with this firm's practice of collection and processing correspondence for mailing. It is deposited with U.S. postage service on that same day in the ordinary course of business. I am aware that on motion of party served, service is presumed invalid if postal cancellation date or postage meter date is more than one (1) day after date of deposit for mailing affidavit. I declare under penalty of perjury under the laws of the State of California that the above is true and correct.
