The matter came to conference over the following issue(s):

An Information and Assistance conference was set, to go over applicant's request for information from defendant.

There is one issue that the Judge has to rule on and that is the issue of PQME Dr. Thomas Allems, and whether the applicant is entitled to a new PQME.

Ms. Anderson and Ms. Skolnik went over two lists of documents that had been requested by applicant. Most of them had been satisfied by the end of the conference.

We talked about seeing Dr. Tabaddor for a re-evaluation; Ms. Anderson stated she would attend the exam.

The issue of objecting to Dr. Allems will be dealt with on Tuesday 10-7-2014 by Judge McGill.
