RE: Anderson v. San Joaquin County Mosquito and Vector Control District
ADJ7004221, et al.

Dear Ms. Anderson:

I received and reviewed your email sent to Ms. Skolnik and Ms. Myers. Needless to say, I am very disappointed that you chose to not appear at the agreed-upon informal conference this morning.

You asked that Ms. Myers inquire about my "ruling" at the last conference in which you believe I removed Dr. Allems as the PQME in this case before you appear again. To be clear, I did not make any ruling at all because I did not have any evidence before me and we were not on the record; my notes on the 08/27/14 MOH clearly reflect this. I did say that if your allegations regarding bias proved true, I would likely order a replacement to Dr. Allems. That is something entirely different from what you claimed I said in your email.

Regardless of what I did or did not say or "rule" on, you cannot make demands that I "confirm" your recollection as a condition of you appearing again. That is unacceptable, especially considering the time that Ms. Skolnik and Ms. Langenes took to prepare for today's conference.

Therefore, to insure that no further time is wasted by anyone, I am setting your case for an MSC on my own motion regarding the issue of your request to replace Dr. Allems as the PQME. You will receive notice of the hearing date and time by separate mailing. You are required to appear. Should you have any questions about this letter, please contact Ms. Langenes.

Sincerely,

Sara-

Thank you for the evidence you handed over at the meeting with Sheree on Friday.

I was positive that judge Mc Gill had ruled Allems to be thrown out at our prior hearing. It is my belief that many ethics have been violated by your firm while representing my employer.

I would like to know what judge Mc Gill did rule on at our last hearing before I appear and ask him to make any more rulings.

I am asking that the minutes from the last hearing be provided as well as a confirmation to your opinion before I return.

I am in the process of seeking out counsel at this time and refuse to make any decisions out of duress. With this being said I will not be in attendance this morning.

Please provide for me and the judge a copies of all materials used for both presentations held by Allems/Helprey. To include all pre advertising for event, power point presentations from both Helprey & Allems, along with who was in attendance and all other documentation that goes along with a presentation of that nature. I think this information is relevant if this ruling has not been thrown out already.

Sincerely,

Tiffany Anderson
