Subject: Attention Luz: Fwd: Inquiry re: modified duty

Date: Thu, Oct 8, 2009 11:40 pm

Luz,

I forwarded the information from the surgeon Dr. Murata to my employer as you directed me to do. My employer has never wanted to accommodate modified duty prior to this turn of events, with the exception of my 12-15-2008 visit requesting me to come in during Christmas break.

You had directed me not to speak to them. So I will wait for direction from you.

Thank you and have a great day!

Tiffany Anderson

Subject: Inquiry re: modified duty

Tiffany,

I received your fax dated 10/7/09, comprised of a copy of Alpine Orthopedic Medical Group's work status report dated 10/6/09, and your question as to whether the District can accommodate modified duty.

It is difficult for me to fully understand the limitations per the doctor's note; the fax is poor quality and the doctor's handwriting and notations are difficult to decipher. Please have Dr. Murata call me direct at (209) 982-4675 so that I can discuss with him your exact work limitations. Once I have talked with him directly, I can better determine whether the District can accommodate modified duty.

Do not hesitate to contact me at (209) 982-4675 if you have any questions or need additional information regarding this email.
