Dear Pam-

I need to make an appointment to see you. I tried to back out of the 132-A and was persuaded to keep the suit. Being self represented I am out of my league. I was hoping to meet with you or schedule a phone appointment to ask you a few questions. I do not want to look foolish in front of the opposing council or the judge.

Also I received a summons for a deposition from the opposing council. The date is 7 days after my post operation. I know I will not be able to drive for a month and chances are my mental capacity will be heavily impaired by medications. What action do I need to do to get this deposition pushed out?

Sincerely,

Tiffany Anderson
