Dear Ms. Anderson,

The County Auditor-Controller's Office is in receipt of your letter dated November 26, 2013 on the subject of SJ County Mosquito Abatement & Vector Control District. You had requested information pursuant to the Public Records Act (Prop AB1234) for the last five years as it pertains to any monies paid to members of the Mosquito District Board of Trustees for travel, lodging, stipends, etc.

Having obtained a listing of the members on the Board of Trustees during the years 2008-2013, we did a comprehensive search of our accounting system to identify any transactions about which you inquired. The search revealed that the District did not pay any of the members of the Board of Trustees for travel, lodging, stipends, etc. between November 27, 2008 and November 26, 2013.

The Payroll Manager is conducting research concerning your request for salaries paid to Mosquito District employees, and will contact you under separate cover with those results. Please let me know if our office can be of further assistance to you.

Thank you for your inquiry,

Patricia J. Brown
Accounting Division Chief
