Dear Complainant:

The Division of Occupational Safety and Health received your complaint of the following hazardous condition(s) at San Joaquin County Mosquito Control, 7759 S. Airport Way, Stockton:

- 1.No Training.
- 2.Problems gaining access to properties.
- 3.Employees are not receiving safety training.

The Division conducted an inspection of the item(s) referenced in your complaint with the following results:

- 1.An inspection was conducted, review of safety training and programs.

California law protects any person who makes a complaint about a workplace safety or health hazard from being treated differently, discharged or discriminated against in any manner by their employer. If you believe that you have been discriminated against because you made a complaint to the Division of Occupational Safety and Health, you may file a discrimination complaint with the nearest office of the Division of Labor Standards Enforcement (Labor Commissioner). However, you must file your complaint within six (6) months of the discriminatory action.

Thank you for your concern about workplace safety and health.

Sincerely,

*John Caynak*
