Tiffany

I do not have anything signed by Adam saying that he will represent you. In fact the last e-mail was that he was not representing. So you and the responsibility to coordinate with him and you gave him short notice. You and I have been e-mailing about this weeks but you never put him in the loop. For all I know, unless I get a signed form, you can hire some other attorney to represent.

It is getting close to the holidays and I can't reset it in December. I will agree to take this off calendar for next week. I am available for a deposition starting at 10 am either January 10, 11 or 12. Please confirm with any attorney that you wish to hire (including Adam) about one of those three days and get back to me by next Friday.

Meanwhile I will take the deposition off calendar.
