Dear Ms. Anderson:

Thank you for contacting my office regarding your concern with the conditions at the San Joaquin County Mosquito and Vector Control District. Like you, I believe in fostering the well-being of our community. I greatly appreciate your interest in the health and safety of your fellow employees.

For this reason I have relayed your concerns to Matthew Rodriquez of the California Environmental Protection Agency. As representatives of the citizens of California, it is our duty to make sure that the voices of our constituents are heard. I hope that my delivery of your message to Mr. Rodriquez assists in your mission to protect those who work at this facility.

I am always proud to see citizens taking initiative to promote the health and safety of their communities. Once again I thank you for your dedication to your fellow citizens and I hope that you continue to be an involved, caring member of our community.

Sincerely,

A handwritten signature in cursive script that reads "Cathleen Galgiani".
