Medic First Aid training programs

CPR/1st Aid

Training company: Zee Training

Facilitator: Katherine B. Morrow

Facilitator's Registry No.: 32080

This is the training where Bob Durham repeatedly was asked to not go over to the table of female Abatement co-workers, was told he was being inappropriate, and ultimately told to leave the training by the facilitator (and not completing the training that day)

Why ZEE for AEDs

Training

COMPREHENSIVE TRAINING PROGRAMS

Proper first aid, safety, and emergency training are a central part of OSHA guidelines for a safe and healthy workplace. Training can apply to anything from equipment operation to hazard communication to office ergonomics.

Lost work time due to injury or illness costs employers billions of dollars annually - money that comes directly off the bottom line. Conducting regular training helps keep employees up to date on compliance and safety issues that help improve their overall productivity. In addition, you can reduce your costs by minimizing unnecessary on-the-job injuries and emergencies.

For more than 50 years, business have trusted ZEE to deliver first aid and safety products, as well as the highest quality training courses. ZEE offers hundreds of topics to choose from, with programs that can be tailored to meet your specific needs. Whatever your business requirements, ZEE has a solution that can accommodate your workplace to save you time and money without interrupting your workflow.

On-Site Training

This classroom-style approach allows a highly-qualified ZEE Trainer to come directly to your employees at a location of your choice for an engaging, interactive program.

eLearning

A blended three-part learning program combines the flexibility of a self-paced online program with an instructor-led skills coaching and evaluation session that can be completed in as little as 30 minutes.

Online Training

With a high-speed internet connection, this flexible option gives you the ability to implement and monitor a training program anytime, anywhere.

Video Training

ZEE Advantage allows employers to conduct training on an ongoing basis. Each course includes a video, course books, and handouts that can be reused time and again.
