Hi, Tiffany, We did not in any way refer to you or any complaint as the reason for our visit, but they do know that a complaint was filed since we interviewed quite a few people. Sorry for all your stress. Hang in there!

Blessings, Trudy

Dear Trudy,

I am willing to see what I started to the finish line. I had more stress than our meeting on Monday. The meeting just threw me off guard. Both of the matriarchs of my family (mom & dad) side are facing medical issues that may take their lives soon. This too caught me off guard. I keep getting sick and I don't know why. I was unaware that a visit from the GJ was made to our office on Wednesday. I guess that was the tension I felt when I returned. Don't worry about me. I will take all necessary precautions to keep my mental and physical health well. So feel free to contact me any time. It is my hope something really positive comes out of all of this.

Sincerely,  
Tiffany Anderson
