Trudy,

Do I have the right to know if Deanna Hopkins and Norm Hopkins were interviewed? I am wondering if they traded information with John Stroh to get Deanna promoted. I also am wondering if they were interviewed if they confirmed my accusations. If they did not tell the truth I have witnesses that can disprove their testimony. My other thought was maybe if they were interviewed they told John what was said in the interviews. Deanna Hopkins was not the best candidate or the most qualified. I am looking at a few legal recourses to change that decision. I need to do some research. I will also put something together about this matter to the GJ. ASAP.

The lab position I mentioned is not going to be replaced. Bummer for me. Three hostile girls in the bathroom. One who will be my assistant supervisor. John Stroh rewards bad behavior.

As far as knowing who the witnesses interviewed were I'm pretty sure the answer is No I do not get to know. I just have to ask, and would like consideration to the above mentioned when the next document comes in.

Sounded like today you were in the process of writing the report. If you have not interviewed Scott Andreas

298-7934 please do. He has up to date confirmation of pertinent information that double standards and favoritism still exist. Today he talked about writing Janine up after watching her talk on her phone for 20 minutes while our crew was working. He can confirm that even after being reprimanded on her evaluation for being late the last 6 mo cycle, a month ago she still comes in late. Even the day after she received it as current as yesterday. Management is going to move him because he has been influential in supporting reprimands to Janine when everyone else just lets her get by on double standards. Deanna is Janine's friend so now she can skate by and I will be subjected to blackballing and female harassment.

Xxxxxxxx would like to be interviewed. He is an upstanding man who can confirm my allegations if this are still necessary.

I don't know what you can do but I can at least ask.

Thanks,  
Tiffany
