Regarding: San Joaquin County Mosquito Abatement

Welcome to my case. I agree with you that I do not fully understand the workers' compensation system and its discovery process. I am writing you to request the following:

1. A list of ALL the claims adjusters who have handled any part of my claims (along with their title) and if they are still employed, their current title.
2. The exact date on which my name became a billable account and please elaborate as to what the reason the claim was filed.
3. The basis upon which my 6/29/11 knee claim was initially denied and the reasons for withholding funds when it has been compensable for the last 3 years.
4. The basis upon which my exposure claims were denied. Please elaborate upon the justification for continued denial when my job was as a pesticide applicator with 3 claims your firm handled from 2004.

My claims have dragged on for years so I'd be perfectly happy with a considered response from you within the next three weeks. I am in pursuit to end all claims with my employer and it is your job to be fair and timely.

Sincerely,

Tiffany Anderson
