Regarding: Claims against SJC Mosquito & Vector Control District

Dear Ms. Evans:

Thank you for your letter dated January 12, 2016. I'm saddened to hear that your company's document retention policy covers only the last five (5) years. As your office seems to have been continually copied with filings well beyond January of 2011, I was certain that your company was somehow still involved with my my claims.

Just to settle this issue, please send me a copy of your company's document retention policy. Thank you.

Sincerely,

Tiffany Anderson
