Regarding: Anderson v. SJC Mosquito & Vector Control District
Charge Number 556-2012-00422

Dear Atty. Quinn:

I am writing you today to request a complete copy of any and all documents of my mediation in the above-referenced case, including any correspondence sent by your office to the EEOC. This mediation was held in your office in October of 2012. Please send these copies to my address as it appears above, as soon as possible.

It is now 2016 and I've never received any proof of an honest effort to settle my claim. I'm therefore requesting all evidence of that meeting in your office.

Sincerely,

Tiffany Anderson
