Hi Tiffany Anderson,

You just got John Stroh to sign this petition: Jerry Brown: To intercede for me in regards to California Workers Compensation by protecting all injured workers from all medical abuse and or neglect while a Workers Compensation Claim is Open!.

Every person you add is a huge step toward winning this campaign. Each new supporter is another person who will spread the word, get their friends to sign, and bring the campaign closer to victory.

[Can you find more people to join this campaign? Ask them to sign now.](#)
